RE: Listing on HOA Home Page (www.StoneyPointHarbor.org)

Attached is payment ($25 or $35) for the listing of my business on the Stoney Point Harbor Homeowners website for a period of _____ (12 or 24 months, respectively) beginning with the next full month. I understand that during this time I may have a web link to my website, mailto link and/or telephone number advertising my services in addition to the listing by the HOA. There will be other vendor listings but no advertisements of any kind.

I also understand that the SPH HOA in no way endorses nor warranties my work, guarantees payment from any owners who hire me, nor will the HOA accept liability from any parties through agreements to engage in services or receive products. The HOA reserves the right to deny or remove listings without cause. On the other hand, all HOA members are and will be encouraged to review our website periodically including our listing of vendors.
